

Many people have suffered the loss of a baby through miscarriage, abortion, or early infant death and have endured the pain alone or for and with their loved ones. Nothing can ease this pain except to know that these precious souls are in the hands of God . . . and that we will someday be reunited with them . . . for we know that "All things work together for good for those who love God" . . . and we do . . . so we await . . . in hope . . . that beautiful day when" . . . every tear will be wiped away."

The Respect Life Ministry felt the need to properly honor these precious souls and also to help parents, grandparents, siblings, and friends who, in whatever way or for whatever reason, have suffered this loss. One of our Respect Life members was moved to design and construct our Memorial. And so today we remember our holy innocents and ask Our Lord to bless and heal all hearts affected by these losses . . . no matter why or how long ago they occurred. We beg God's healing on all of us as we proclaim our love for these precious souls.

Prayer for Life

O God, our Creator, all life is in your hands from conception until death. Help us to cherish our children and to reverence the awesome privilege of our share in creation. May all people live and die in dignity and love. Bless all those who defend the right of the unborn, the disabled and the elderly. Enlighten and be merciful toward those who fail to love, and give them peace. Let freedom be tempered by responsibly, integrity and morality. Amen.
